IRA Financial Group & IRA Financial Trust to Accept Cryptocurrencies for Payment of Fees Beginning 2nd Quarter 2018

IRA Financial to allow clients to use bitcoins or other cryptocurrencies to pay for self-directed IRA or Solo 401(k) plan services & administration costs

NEW YORK (PRWEB) January 10, 2018

IRA Financial Group & IRA Financial Trust Company, the leading providers of self-directed IRA LLC and Solo 401(k) Plans, announces that it will accept Bitcoins & other cryptocurrencies beginning in 2nd quarter 2018 for all of its self-directed IRA & solo 401(k) plan services & administration costs. Just in the last year alone, IRA Financial has already helped over a thousand individuals use retirement funds to invest in cryptocurrencies through their own wallet control IRA. "We are very excited to beginning accepting cryptocurrencies as a means of payment for our self-directed IRA or Solo 401(k) plan services. "We look forward to having our clients gain the ability to use their cryptocurrencies for the payment of self-directed retirement services," According to Adam Bergman, President of the IRA Financial Group & IRA Financial Trust Company.

According to Mr. Bergman, cryptocurrency retirement account investors have been frustrated by a number of IRA custodians in the marketplace who are requiring that they use related brokers to purchase the cryptos and give up control over their cryptocurrency wallet and private key associated with the cryptocurrencies.

generate tax-deferred or tax-free gains, in the case of a Roth IRA. The primary advantage of using a self-directed IRA LLC to make Bitcoin investments is that all income and gains associated with the IRA investment grow tax-deferred or tax-free in the case of a Roth IRA.

IRA Financial Group & IRA Financial Trust Company has partnered to offer a total control private key Bitcoin IRA LLC platform for cryptocurrency investors. With IRA Financial Group's private key crypto solution, you have total control over your cryptocurrencies and can hold them yourself either via a digital or hardware wallet. No need to pay commissions and account value fees to IRA custodians, take control of your cryptocurrencies with IRA Financial's total control private key self-directed IRA LLC crypto solution. IRA Financial Group's self-directed IRA LLC is an IRS approved structure that allows one to use their retirement funds to make Bitcoin and other investments tax-free and without custodian consent.

IRA Financial Group is the market's leading provider of self-directed retirement plans. IRA Financial Group has helped thousands of clients take back control over their retirement funds while gaining the ability to invest in almost any type of investment, including real estate without custodian consent.

The IRA Financial Trust Company, a **self-directed IRA cryptos** custodian, was founded by Adam Bergman, a partner with the IRA Financial Group. Mr. Bergman is a leading expert on the taxation of retirement funds and has authored multiple articles on how to use a self-directed IRA to buy cryptocurrencies.

Adam Bergman, IRA Financial Group partner, has written six books the topic of self-directed retirement plans, including, "The Checkbook IRA", "Going Solo," Turning Retirement Funds into Start-Up Dreams, Solo 401(k) Plan in a Nutshell, Self-Directed IRA in a Nutshell, and in God We Trust in Roth We Prosper.
