Leading "Checkbook Control" Self-Directed IRA LLC Provider – IRA Financial Group – Announces New Online Banking Self-Directed IRA LLC Solution

Article Comments (0)

November 13, 2014 6:00 PM EST

New York, NY (PRWEB) November 13, 2014

IRA Financial Group, the leading provider of "checkbook control" self-directed IRA LLC structures, announces the introduction of an online banking self-directed IRA LLC program for retirement investors looking to make traditional as well as alternative investments, such as real estate without tax and from the comfort on an online banking. IRA Financial Group's new online banking self-directed IRA was designed to offer self-employed retirement investors a diverse and wide array of investment opportunities for their retirement funds all from the comforts of a local bank or brokerage account with online access. With IRA Financial Group's online banking self-directed IRA LLC solution, one can purchase stocks, mutual funds, precious metals, real estate, and much more all from their online account. With IRA Financial Group's online banking self-directed IRA LLC structure, the self-directed IRA LLC account can be opened at any local bank and financial institution to make traditional as well as alternative assets, such as real estate all from the online plan account. "Our newly designed online banking 'checkbook control' self-directed IRA LLC is perfect for the retirement investor looking to make traditional as well as non-traditional investments, such as real estate with their IRA while gaining more control over their retirement funds and reducing annual IRA account fees," stated Jacky Ospina, a retirement tax specialist with the IRA Financial Group.

There are many features of the IRA Financial Group's new online banking self-directed IRA LLC structure that make it so appealing for the alternative asset investor

IRA Financial Group's online Self-Directed IRA for real estate investors, also called a [real estate IRA](#) with checkbook control, is an IRS approved structure that allows one to use their retirement funds to make real estate and other investments tax-free and without custodian consent. The Self-Directed IRA LLC involves the establishment of a limited liability company ("LLC") that is owned by the IRA (care of the Roth IRA custodian) and managed by the IRA holder or any third-party. As manager of the IRA LLC, the IRA owner will have control over the IRA assets to make the investments he or she wants and understands

"With IRA Financial Group's new online [self-directed IRA](#) LLC solution, investors can make traditional as well as alternative investments, such as real estate and generate tax-deferred rental income or tax-free rental income in the case of a self-directed Roth IRA," stated Ms. Ospina.

The [IRA Financial Group](#) was founded by a group of top law firm tax and ERISA lawyers who have worked at some of the largest law firms in the United States, such as White & Case LLP, Dewey & LeBoeuf LLP, and Thelen LLP.

IRA Financial Group is the market's leading "checkbook control" Self Directed IRA Facilitator. IRA Financial Group has helped thousands of clients take back control over their retirement funds while gaining the ability to invest in almost any type of investment, including real estate without custodian consent.
