## **IRS FORM 5500-EZ**

# HOW TO REPORT THE FAIR MARKET VALUE OF ASSETS HELD BY YOUR SOLO 401K PLAN TO THE IRS

The Internal Revenue Service ("IRS") Form 5500-EZ is an annual information return that is required to be filed by every "One-Participant Plan" (owners and their spouses), also known as a Solo 401(k) Plan, with plan asset value in excess of \$250,000 as of December 31 of the previous tax year. The purpose of filing and reporting the fair market value ("FMV") of your solo 401(k) plan's assets is to inform the IRS of assets over \$250,000.00 annually held in a Solo 401(k) Plan. You must file the Form 5500-EZ if a plan meets the requirements alone or combined with any other qualified retirement plan owned greater than 80% by the business owner or a related party (one controlled group) exceeding \$250,000.00.

You do not have to file the form 5500-EZ for a plan year for a one-participant plan if the total of the plan's assets and the assets of all other one-participant plans maintained by the employer at the end of the plan year does not exceed \$250,000.00, unless the current year is the final plan year of the plan.
